NOTICE TO ALL PATIENTS:

Please keep in mind that your appointment time is reserved for you and prevents our physical therapists from seeing anyone else. Due to how our office gives care to our patients, the physical therapists see only one patient at a time. As a result, no shows or late cancellations have a significant impact on our patients who need care, as well as on our practice.

Therefore, by signing below, you agree that after the 2nd No Show or Late Cancellation with less than one full Business Day prior notice, to compensate Simply Results PT a fee of \$75.00.

This fee will be billed to your account and will not be covered by your insurance. We understand that emergencies do happen. This is why the fee will not be applied until after your second missed visit or late cancellation.

We can provide you with a print-out of your schedule and, we can call or send you text messages or emails of your appointment reminders the day before.

Please also have your new patient paperwork completed prior to your first appointment. This will allow you to maximize your time with the physical therapist.

I have read, understand and agree to the above terms:
